

# Finger Charts for Native American Flutes

by  
Vibhas Kendzia

## 1. Pentatonic Scale

**Alternate fingering for high-C:**  
(draw in what works for your flute best. Use a tuner to verify.)

## 2. Major Scale

5 Below root tone C:

**Alternate fingering for high-B and high-C:**  
Draw in what works best for your flute.  
Use a tuner to verify.

**1. and 2.** is mostly for higher flutes incl Am.

**3., 4. and 5.** works mostly with lower flutes, like F#m and lower.

**5th version** is most common with older flutes.

**Try them all to see what works best!**
